# Better Designer

10 HOURS  
10 DAYS

WEEKDAYS  
EVENING

ONLINE  
LIVE

BATCH START DATE IS :  
5TH MAY 2025  
SESSIONS WILL BE IST  
7PM- 8PM WEEKDAYS

In a world where AI is quickly taking over routine tasks, learning graphic design has become more important than ever. While tools may change or get replaced, the creativity, passion, and problem-solving skills of a good designer will always stand out. AI can assist, but it can't replace the human touch behind inspired design. Those who learn and grow in this field now will have the edge to shape the future.

## Course Highlights:

- Visual Design Fundamentals
- AI Integrated Design Workflow
- Multi-Media Design
- Website for Designers
- Building Your Creative Portfolio

**Learn from an internationally acclaimed design mentor and elevate your design career! This is your opportunity to learn efficiently while building an impressive portfolio.**

Each day of the session will be filled with design principles, activities, modern workflows and tips for better results.
